💼 PROFESSIONAL EXPERIENCE

Full Stack Web Developer

08/2023 – present | Vadodara, Gujarat

As a Full Stack Web Developer in Vadodara, Gujarat, since August 2023, I've been involved in designing, developing, maintaining web applications, and managing projects. My responsibilities include working with both front-end and back-end technologies to create user-friendly and efficient web solutions. I've collaborated with team members to ensure the successful delivery of projects, adhering to deadlines and client requirements. My experience has allowed me to enhance my skills in areas such as HTML, CSS, JavaScript, Node.js, database management, WordPress management.
